Dear Parent/Guardian

School Administrative Charges
Years 9 & 10 - 2010

With the agreement of the school community, we ask that students and their families pay an administrative charge to the school. Funds raised through this charge are used to provide resources for the students of Holroyd High School, particularly:

- Computer and technology upgrades and computer software
- Sporting equipment
- Library books/videos/cassettes/CD Rom
- Ambulance insurance for all students
- Printing of certificates, reports, examination papers, and Spotlights

Payment of the administrative charge is not compulsory; however, your payment will significantly enhance the facilities and resources available for the students of Holroyd High School.

I wish to assure students, parents/guardians that no embarrassment or discrimination will occur in our school as a result of non-payment of the administrative charge.

The school accepts Visa, Mastercard, and Bankcard. Payments may also be made in instalments. The administrative charge for Years 9 & 10 in 2010 is $60.00.
