Holroyd High School

Dear Student/Parent/Guardian

School Administrative Charge
Preliminary & HSC - 2010

With the agreement of the school community, we ask that students and their families pay an administrative charge to the school. Funds raised through this charge are used to provide resources for the students of Holroyd High School, particularly:

- Computer and technology upgrades and computer software
- Sporting equipment
- Library books/videos/cassettes/CD Rom
- Ambulance insurance for all students
- Printing of certificates, reports, examination papers, and Spotlights

Payment of the administrative charge is not compulsory; however, your payment will significantly enhance the facilities and resources available for the students of Holroyd High School.

I wish to assure students, parents/guardians that no embarrassment or discrimination will occur in our school as a result of non-payment of the administrative charge.

The school accepts Visa, Mastercard, and Bankcard. **Payments may also be made by instalment.** The Administrative Charge for Years 11 and 12 in 2010 is $70.00

Dorothy Hoddinott AO
Principal
Dear Student/Parent/Guardian,

**Subject Charges**

Post-compulsory students who choose to take elective practical subjects are expected to pay Subject Charges to offset the cost of materials they use and consume in these courses.

Should students and their families have difficulty making payments for subject materials, they should contact me for support from the Student Assistance Scheme.

The school accepts payment by Visa, Mastercard and Bankcard. **Payments may also be made in instalments.**

**Text Book & Equipment Deposit**

Post-compulsory students are required to pay a text book and equipment deposit. This deposit is refundable when students leave Holroyd High School. Items not returned to the school will be deducted from the deposit.

Dorothy Hoddinott AO
